

A DMS That Works For You: Feature-rich, Award Winning Customer Support, One Price

Dominion ACCESS® provides fully integrated dealer management system to automobile dealers across the country. The Windows®-based ACCESS system has all the necessary features and functions you need to run your business effectively - ALL included when you purchase ACCESS. One price, one system. Also available in the cloud!

Benefits of a True Windows® Environment

- Unlimited sessions available; multiple screens open on the same PC
- Copy/Paste functionality
(ie: copy a VIN and paste it in your parts catalog)
- “Click” into Editable Fields; No “Top of Screen”
- Print at any printer any time; Add a printer in seconds
- Seamless integration with MS Word, Excel & Outlook

Benefits of ACCESS Air™

- Portable, hosted DMS giving you the freedom to access it anywhere
- Cloud-based technology eases employee collaboration
- Real-time access to data and information, keeping your dealership on target
- Stay up-to-date with automatic maintenance and security updates

ACCESS® Basics

- Includes complete suite of Dealer Management System applications
- Three year guarantee on support price
- Service, Parts, Sales & Accounting Detail is retained forever
- Document Archiving and Scanning is included
- Plain Paper POs, ROs and Invoices with custom logos
- No “click” charges for forms
- Credit Reports without surcharges
- Unsurpassed integration between departments
- Automatic downloads for Parts Master, VIN decoder, zip code explosion, and system enhancements
- Enhanced data conversion from existing DMS
- No long term contracts – support is month to month

Four Key Benefits of ACCESS:

- EASE OF USE
- INTEGRATION
- DEPTH OF APPLICATIONS
- DATA ARCHIVED FOREVER
