

CAN YOUR DMS DO THAT?

DOMINION VUE™

Use the following checklist to determine if your current DMS is simplifying or complicating your communication processes. If you answer “no” to a majority of these questions your dealership could be more efficient and it may be time to upgrade your DMS.

	YES	NO
Can you reference archived customer texts and emails in your DMS?	<input type="checkbox"/>	<input type="checkbox"/>
Does your DMS come with a built-in message center for internal email communication?	<input type="checkbox"/>	<input type="checkbox"/>
Are you able to set up system generated alerts that notify you of criteria you select?	<input type="checkbox"/>	<input type="checkbox"/>
Does your DMS give your customers the option of mobile pay?	<input type="checkbox"/>	<input type="checkbox"/>
Are your communication tools built into the system? (Meaning not bolted on as 3rd parties)	<input type="checkbox"/>	<input type="checkbox"/>
Do your communication tools help you avoid friction points and duplicate work?	<input type="checkbox"/>	<input type="checkbox"/>
Does your DMS keep you in compliance with texting regulations?	<input type="checkbox"/>	<input type="checkbox"/>
