

Dominion Dealer Specialties is committed to helping you deliver **the best customer experience.**

Introducing our complimentary **SiriusXM Refresh Service**

Due to your participation in the SiriusXM® Pre-Owned Program, our team will visit your dealership to assist with refreshing pre-owned vehicle radios with **3 Free Months of SiriusXM** at no cost to you.

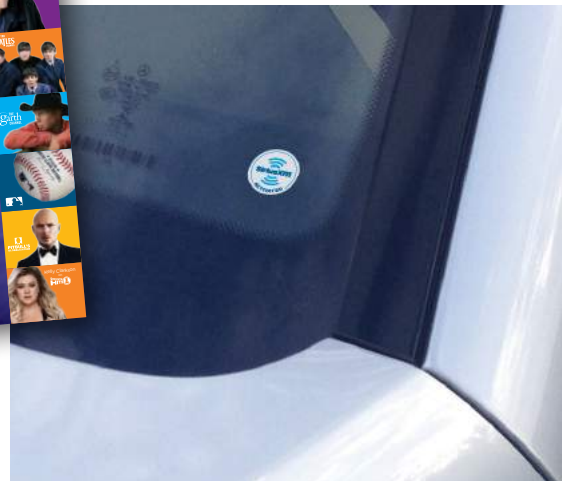

Role of Dealer Specialties

As a part of this new partnership, Dealer Specialties will serve as an added resource to:

- Refresh SiriusXM-equipped vehicles on your lot using the SiriusXM Dealer App to turn the radio on and ensure a seamless transition to the customer's trial.
- Tag refreshed vehicles with a **"SiriusXM Activated"** sticker on the driver side window and place a **SiriusXM brochure** with channel line-up inside the vehicle as an indication this step has been completed.

All at no cost to your Dealership or your customers!

At Dealer Specialties we are committed to being a great partner to your Dealership. Our team is here to lend a helping hand to ensure all your vehicles roll off with the best entertainment.

As a **current Dealer Specialties** customer, you can take advantage of this service for **FREE!** Give your car buyers a 3-month trial of Sirius XM.
